This is also NOT what we HAVE to do. If you have an idea for an activity, we're open!

Columbia Elementary PTA General Donation Form

Columbia Elementary PTA works with the school administration, teachers, staff and parents to support and enrich our students' learning experience. We welcome everyone in our community to join our meetings, become involved, and to share their thoughts and ideas with us. Our goal is to advocate on behalf of all students to create an inclusive, nurturing, empowering and positive school community.

Through the efforts of committed volunteers, the PTA provides classroom support, organizes special events and activities, plans teacher appreciation activities, and supports enrichment opportunities for all students. As a non-profit organization, we can do all of this thanks to generous donations like yours! We thank you for your support!

Note regarding our main PTA fundraiser:

In October we will run our main fundraiser for the school year. Any donation received prior to the start of the fundraiser will be credited to the appropriate student/classroom fundraising goal (so long as student/teacher information is provided below). We will also have sponsorship opportunities available at that time. Stay tuned for more info!
